# BOB WOODRUFF

## Athletic Director and Head Football Coach

A man of tremendous energy with an unbounding capacity for attention to detail, Bob Woodruff over the past seven years has moulded Florida's Gators into a respected football team.

Upon his arrival at the University of Florida in 1950, Woodruff was faced with the task of giving a team back its own self confidence; its fans a feeling of pride. This he has done through ability and leadership and a sound fundamental knowledge of the game of football.

The Gators have surged steadily forward, and last year were still in the thick of the Conference title race in the waning weeks of the season. Florida finished third in the SEC with a record of five wins and two defeats against league opponents. Woodruff regrouped the 1956 Gators after a mediocre start of one victory, one loss and one tie, coming on to win five straight games.

Over the past seven years, Woodruff's Florida teams have won 36 games, lost 32 and tied 3. As head coach at Baylor and Florida his teams have won 55, lost 42 and tied five.

### Early Days

Born in Athens, Georgia, on March 14, 1916, Coach Woodruff's family soon moved to Cuthbert in that state, where they lived until he was 16 years old. He played on Cuthbert High's first football team, and then on moving to Savannah played three years for Savannah High School.

Those close to Coach Woodruff know him as a person who makes no hasty decisions, thinking things through to a careful conclusion. His teams are well disciplined and his associates are deeply loyal, a trait reflected from the coach himself.

Following his graduation from the University of Tennessee in 1939, when he received an engineering degree, Woodruff joined the Vols staff as assistant coach, a position he held during the 1939 and 1940 seasons.

Entering the Army in 1941, Woodruff rose to the rank of Major before being discharged in 1946. During that period of service, he was an assistant coach in 1944 and 1945 at West Point, helping Coach Earl (Red) Blaik guide the Black Knights of the Hudson to national collegiate gridiron championships.

The following season he was line coach at Georgia Tech, before becoming head coach at Baylor University in the spring of 1947.

### A Head Coach

Never before in his college playing or coaching career had Woodruff been associated with anything but a nationally ranked team. When he arrived at Baylor he was confronted with the task—and

this on his first head coaching assignment—of lifting a floundering Bear squad up by its bootstraps into a position of prominence in a tough league, the Southwest Conference.

He might have spoken slowly, but he moved fast. The Bears started that first season by claiming four quick victories in a row, including a startling upset over Arkansas. A powerful Texas team broke the string, and Baylor went on to a respectable five-five season. The following season Baylor enjoyed a 6-3-2 record, including a Delta Bowl victory (20-7) over Wake Forest, and then Woodruff really brought the Bears into prominence when he guided them to eight wins and two losses.

At Florida where he became Head Coach and Director of Athletics in 1950, Woodruff found many of the problems which had existed at Baylor. The Gators were an ideal "Homecoming Opponent" for others in the Southeastern Conference. In three seasons the Gators won 17, lost 13 and were victors in the Gator Bowl, defeating Tulsa, 14-13. This was the first Bowl invitation ever received by a Florida team in nearly 50 years of football. The Gators had come of age.

Another high point in Woodruff's coaching days at Florida came in 1954 when the Gators had a record of five wins and two defeats against Southeastern Conference opponents. This gave them a tie for third place in the league, highest ranking achieved by the Gators since formation of the SEC in 1933. Coach and Mrs. Woodruff (Margaret) have three sons, Scooty 13, Mark 4, and Joe, nearly one.

## FLORIDA'S OPPONENTS IN 1957

### UCLA

September 20—Los Angeles, California—8:15 P.M. (PDT)

Nickname: Bruins  
Coach: Henry R. "Red" Sanders (Vanderbilt '27)  
Sports Publicity: Vic Kelley  
Colors: Navy Blue and Gold  
Enrollment: 16,000  
Location: Los Angeles, California

After a lapse of 16 years, UCLA and Florida resume their intersctional football rivalry in the huge Los Angeles Coliseum (capacity 101,528) to open the 1957 season for both teams. Although ex-Vanderbilt Coach Red Sanders won't field an experienced team this fall, UCLA fans are still counting on this great Single Wing Master to produce another winning team.

Handicapped because 10 senior veterans, including two All-Coast performers, won't be eligible to compete this season because of PCC action against UCLA for alleged conference code violations, the Bruins will nevertheless have 15 varsity lettermen. They are topped by Fullback Barry Billington, a dynamic 170 pounder; Tailback (Left Half) Kirk Wilson, the nation's No. 1 punter last season with a fabulous 49.3-yard average; End Dick Wallen, a talented pass catcher; and Jim Dawson and Bill Leeka, a pair of top-drawer tackles.

The success of the '57 Bruins appears to hang on how the newcomers (sophs and junior college transfers) come through under fire.

## WAKE FOREST

September 28—Gainesville—2:30 P.M. (EST)

Nickname: Demon Deacons or Deacs  
 Coach: Paul J. Amen (Nebraska '38)  
 Sports Publicity: Marvin A. Francis  
 Colors: Old Gold and Black  
 Enrollment: 2,400  
 Location: Winston-Salem, N. C.

Coach Paul Amen, "Coach of the Year in the ACC" in his first season at Wake Forest last fall, faces a much tougher task as the Deacons point to a much rougher schedule. Sixteen lettermen from the 1956 crew are back, but only six of them saw much action last season. Last year's number one quarterback, Charlie Carpenter, has ruptured a spinal disc and will be out for the entire season.

To help replace Carpenter, last year's starting left half, Jim Dalrymple has moved to the quarterback spot. Rebuilding at fullback, all candidates for this all-important position in Amen's Army-T attack will be sophomores. Neil MacLean, a 195-pound ex-serviceman, and Pete Manning, a 200-pounder, are the leading candidates.

From tackle-to-tackle, the '57 Deacons appear capable of handling the job with co-captains George Johnson at tackle and Eddie Moore at center anchoring the line.

## KENTUCKY

October 5—Lexington—8:00 P.M. (CDT)

Nickname: Wildcats  
 Coach: Blanton Collier (Georgetown '27)  
 Sports Publicity: Ken Kuhn  
 Colors: Blue and White  
 Enrollment: 9,000  
 Location: Lexington, Ky.

Chief problem at Kentucky is finding an entirely new backfield combination, a right tackle and depth at the end spots.

Personnel-wise, the mainstay of the team and the leader is All-America Lou Michaels, 230 pound senior from Swoyerville, Pa. Bigger and rougher than a year ago, Lou again will anchor the left side of the line.

Last year's leading ground gainer, halfback Bobby Cravens, returns to lend valuable help in the backfield where he posted a 4.3 average in '56. Although he was not a regular starter last year as a sophomore, Cravens is being counted upon to produce as a number one man this season. Another veteran who looked good this spring is senior right end John Cornelius, second leading pass receiver in the Wildcat attack last year.

Battling it out for the quarterback assignment are sophomores Lowell Hughes and Jerry Eisaman, a Pennsylvania sharpshooter. Between them, they accounted for five touchdowns via the airways in the spring practice game.

## MISSISSIPPI STATE

October 19—Gainesville—2:30 P.M. (EST)

Nickname: Maroons  
 Coach: Wade Walker (Oklahoma '50)  
 Sports Publicity: Bob Hartley  
 Colors: Maroon and White  
 Enrollment: Approx. 4,500  
 Location: State College, Miss.

The SEC's "tough luck" team in 1956 when they dropped four games—Auburn, Tulane, Alabama and Mississippi—in the final three minutes, the 1957 Maroons should be a much better football team.

Billy Stacy, the All-SEC quarterback, who had his debut spoiled by three costly interceptions in last year's Florida game, could easily be the outstanding player in the conference.

Overall depth and team speed are better than last year, though several positions, notably end and tackle, could cause trouble.

The halfbacks could be the best to play for the Maroons in the past decade, providing a couple of newcomers come through. A total of 19 lettermen return, along with halfback William Morgan, who was out all last year with injuries.

The probable top performers besides Stacy are center Jimmy Dodd and fullback Molly Halbert, the co-captains, halfbacks Bubber Trammell, Willie Daniel and Walter Flowers, tackles Bobby Tribble and Sam Latham.

## LOUISIANA STATE

Nickname: Tigers  
 Coach: Paul F. Dietzel (Miami of Ohio, '48)  
 Sports Publicity: Carl E. Higgins  
 Colors: Purple and Gold  
 Enrollment: Approximately 10,300  
 Location: Baton Rouge, La.

The season of 1957 will be the year of the sophomores in Louisiana State football. Over two-thirds of the varsity squad will be composed of newcomers to collegiate football—many of them playing key roles in the Tiger attack and defense.

Departed is the rock-ribbed line from tackle to tackle, one starting end and the top left halfback. Many other first-line reserves have graduated.

Tops among the returnees are senior fullback Jimmy Taylor, the SEC's leading scorer in 1956; Ed Cassidy, a top-notch guard, and Al Aucoin, a speedy tackle who could be one of the league's best.

The sophomores who'll help include center Doug Skinner, quarterback Warren Rabb and halfback Billy Cannon.

## AUBURN

November 2—Auburn, Alabama—2:00 P.M. (CST)

Nickname: Tigers or Plainsmen  
 Coach: Ralph (Shug) Jordan (Auburn '32)  
 Sports Publicity: Bill Beckwith  
 Colors: Burnt Orange and Navy Blue  
 Enrollment: Approximately 8,700  
 Location: Auburn, Alabama

Auburn's football team in 1957 should be as good as it has been for the past four years when the Tigers compiled a record of 29 victories, nine losses, and two ties, plus three Gator Bowl appearances.

Two pre-season All-Americans head the list of Coach Ralph Jordan's aggregation. They are right end Jimmy (Big Red) Phillips, 1956 SEC leading pass receiver, and lefthalf Tommy Lorino, 1956 national rushing average leader, 8.44 yards per try, and the SEC's rushing leader and new record-holder for rushing yards.

Other outstanding players are righthalf Bobby Hoppe; ends Jerry Wilson and Mike Simmons; tackles Ben Preston, Dan Presley, Teddy Foret, and Cleve Wester; guards Zeke Smith, Tim Baker, and Frank LaRussa; centers Jackie Burkett and Jimmie Ricketts; quarterbacks Johnny Kern, Lloyd Nix, and Bryant Harvard; halfbacks Lamar Rawson, Billy Kitchens, Pat Meagher, and Bobby Lauder, and fullbacks Billy Atkins and Ronnie Robbs.

## VANDERBILT

November 16—Gainesville—2:00 P.M. (EST)

Nickname: Commodores  
 Coach: Art Guepe (Marquette '37)  
 Sports Publicity: Elmore Hudgins  
 Colors: Gold and Black  
 Enrollment: 3,400  
 Location: Nashville, Tenn.

The 1957 Commodores will operate with a newly developed offense which combines the better features of the Split-T, the Standard-T, the Single-Wing and the Double-Wing systems. Coach Art Guepe, who devised the yet unnamed system, has the highly colorful Phil (Chief) King set up as pivotal man in his kaleidoscopic attack.

Veterans Jimmy Ray and Jimmy Butler make fullback unusually strong, but right half depends on untested players like Junior David Ray and Sophomore Tom Moore. At Quarterback Boyce Smith and Ralph Maple are much improved over '56.

In the line Tackle is stronger than for several seasons with Pat Swan, Jimmy Linville, Mario Wodka and Eric Soesbe all capable veterans. End is good at the top with Bob Laws and Bob Taylor, and Guard has three proven men in George Deiderich, Billy Grover and Monty Williamson. Center has only one letterman, Doyle Richardson.

Coach Guepe has high hope that this 1957 Vanderbilt team will prove the same type as the '55 squad which surprised the SEC with a fine 7-3 record and the nation with a 25-13 upset victory over Auburn in the Gator Bowl.

## GEORGIA TECH

November 23—Atlanta, Ga.—2:00 P.M. (EST)

Nickname: Yellow Jackets  
 Coach: Bobby Dodd (Tennessee '31)  
 Sports Publicity: Ned West  
 Colors: White and Old Gold  
 Enrollment: 4,800  
 Location: Atlanta, Ga.

Georgia Tech looms once again as one of the top elevens in the conference despite the fact that this year's team will be the youngest and most inexperienced Bobby Dodd has fielded in many years. With only two of the '56 first team returning, newcomers—for the most part untested—will have to fill the gaps.

Things look brighter, however, when you consider that All-America center Don Stephenson; LHB, Stan Flowers; LE, Jerry Nabors; and RG, Leon Askew are ready for action.

Looking at the over-all Tech picture, the Yellow Jackets should be stronger at end and center and equal or weaker at the other positions. All of Tech's punters are gone and the passing candidates at QB are without game experience.

Some of the sophomores to watch are: QB, Fred Braselton; HB, Cal James; HB, James Brantley; FB, Larry Fonts; and FB, Lester Simerville.

## MIAMI

November 30—Miami—8:15 P.M. (EST)

Nickname: Hurricanes

Coach: Andy Gustafson (Pittsburgh '26)

Sports Publicity: George Gallet and Wilbert Bach

Colors: Orange, Green and White

Enrollment: 12,000

Location: Coral Gables

Miami has 12 of 29 lettermen returning from the 1956 team, and one returning from the 1955 team. Miami won eight, lost one and tied one last fall and finished as the sixth best football team in the U. S. Also, the Hurricanes wound up No. 1 in the nation on defense. Coach Gustafson's entire first team was lost by graduation, but the tough second unit, led by All-American candidates, John Varone, half-back, and Vester Newcomb, returns.

The Hurricanes will be bolstered by some of the finest sophomores to join the club in years. Best among them are Maury Guttman, quarterback; Harry Deiderich, fullback, and Frank Nodoline, tackle. The Hurricanes expect to have a stronger offensive club this fall.

## THE GATOR BAND

The University of Florida "Gator Band" is deemed one of the finest in America today. Its gridiron spectacles are an essential part of Gatorland football festivities, and its year-round musical activities are an important part of University community life.

Harold B. Bachman is the distinguished Director of the University of Florida Bands, including the 145 members of the Gator gridiron aggregation, and the five other band organizations which serve the University and the state.

Reid Poole, Assistant Director of Bands, plans and produces the football shows, and writes the special musical arrangements featured by the Band.

Earl Norman of Starke is the Head Drum Major who directs the Band on the field. Beverly Stalnaker is Head Majorette and featured baton twirler. Band personnel includes 104 men in the marching square of the Band, a baton twirling squad of 15, the Big Bass Drum crew of 3, and some 20 additional musicians who play in the stands and on occasion act as flag bearers, alternates, property men, etc. Delbert Sterrett is the announcer for the Band.

The Gator Band spends four 80-minute sessions each week in musical rehearsals and outdoor drills getting ready for the Saturday football shows.

Band members do not receive scholarships or other financial inducements. Representing every department of the University, the band membership is a true cross section of the student body.

Gator band field productions are primarily based on a solid musical foundation with good music as the guiding principle. Each halftime show usually includes one or more musical presentations featuring distinctive arrangements played while the band maneuvers into appropriate formations or tableaux. A distinctive characteristic is that many of the feature numbers are performed "in the round" so that the view and sound will be the same from both sides of the stadium.

The Gator Band basic uniform is two-toned blue trimmed in orange. Coats are of royal blue, trousers in a complementary French blue. The overall orange trim is high-lighted by an orange satin cape and topped off by the orange plume on the cap. The Drum Majors and Baton Twirling Squad will be dressed in new white uniforms trimmed in orange and blue.

### LARGEST DRUM IN DIXIE

The Gator Band giant exhibition bass drum is one of the largest drums in the country. At the time it was made, a writer for the Chicago Sun-Times quoted its manufacturer as saying that it is "The World's Largest bass drum that will boom properly." The drum was especially made for the "Gator Band" by the WFL Drum Company of Chicago. The drum is 6 feet in diameter and 25½ inches in width.

## FERGIE FERGUSON AWARD

The Forest K. (Fergie) Ferguson Award is given in memory of one of Florida's finest athletes, one of the great all-time ends to wear the uniform of the Fighting Gators. The Award is made annually in the form of a beautiful trophy, which remains in the permanent possession of the University of Florida, and is given to the football player selected as the Gators' most valuable senior each year. The winning player is announced at the annual spring banquet, and he is then invited to return to the campus to receive the award at the following Homecoming.

Winner of the 1955 award, presented at last year's Homecoming game with Auburn, was Center Steve DeLaTorre, Florida's great center. The first award was made in 1955 to Malcolm Hammack, outstanding fullback for the '54 Gators.

Recipient for the 1957 award, to be presented October 19 at the Homecoming clash with Mississippi State, will be Larry Wesley, outstanding tackle with the '56 squad from Fernandina Beach.

Idea for the Award was conceived by John Piombo, teammate and friend of Ferguson, and Dick Stratton, former Florida athlete and admirer of Ferguson. These two Jacksonville residents donated the original Ferguson trophy, which is displayed at all times in the Division of Intercollegiate Athletics trophy case.

### About Fergie Ferguson

Fergie came to Florida in the fall of 1938 after having been a star end for the Stuart (Fla.) High School. He became a starting end for the Gators as a sophomore, and from that time wrote several records into the books. He caught 43 passes in the 1939-40-41 seasons, a career record that stands today. His record for the most yards gained on passes caught—668 for 3 seasons—still stands, and a record for the longest TD pass caught, 74 yards against Miami in 1941 remained on the books until 1954. Fergie was also a track and boxing star, and his javelin throw of 203 feet, 6½ inches, which won him a National AAU championship in 1942, is still the best throw ever made by a Florida athlete.

Fergie became a second lieutenant in the U. S. Army, and was severely wounded in the Normandy landing of 1944. He so distinguished himself that he was awarded the nation's second highest medal for gallantry in action. He died of war wounds ten years after the landing.

# FLORIDA FIELD PRESS BOX

We firmly believe that if you have elected to cover the Gator games at Florida Field this year you will enjoy some of the finest press box facilities in the country.

The Florida Field press box has been honored with the Football Writers Association of America's Press Box Merit Award, recognizing its outstanding facilities.

The diagrams on the opposite page afford a quick picture of just what's there. Four decks, starting at the bottom and going to the top (by elevator) (1) Photo Darkroom and Western Union, (2) Radio and Photographers, (3) Press and (4) Photo. Here they are in detail:

**PRESS DECK:** There are 48 seats on the front row and 47 on the back row. Each reporter has 34 inches of desk space and an adjustable, swivel chair that is bolted to the floor. Every seat has perfect vision—there are no uprights between any seat and the field and people walking along the front row are below the vision of folks on the back row. There are no windows on the press deck. A public address system operated exclusively for the press box gives all official information, including statistics on individual plays. There is a snack counter at one end of the press deck and ample toilet facilities at the other.

**RADIO DECK:** There are five ample-sized, acoustically tiled radio booths with glass windows that may be opened or closed, depending upon the desire of each announcer. The front row of each radio booth will seat four people very comfortably and five in a slight pinch. The back row seats three and is adapted for engineering equipment. Each radio booth may receive the press box PA announcements via headphones. There are two other booths, one for visiting coaches and one for the stadium public address system. Flanking the radio booths are large open-front decks for use by still, movie or television photographers. There are toilet facilities on the radio deck.

**PHOTOGRAPHY DECK:** This is a large open-front area at the very top of the press box. It has ample table space both in front of the cameraman and behind him. This deck also includes the Florida coaches booth and the stadium manager's booth.

**WESTERN UNION and PHOTO DARKROOM DECK:** This is the first floor of the press box and the first elevator stop coming up from ground level. The entire Western Union operation is carried out in a large room that provides every needed facility for transmitting copy. Messages are sent by pneumatic chute from the press deck to the Western Union room. This, of course, eliminates the necessity of having bulky and noisy page printers in the actual working press section. (When you have a message ready for sending, you merely hold it over your head, yell "Copy Boy" and one swoops down on it.)

This deck also includes newly added photographic darkrooms for photographers who wish to process film at the stadium and telephoto room from which they may send pictures to the papers. While the places to do this work are a part of the press box, we are unable to furnish such equipment as enlargers, wire-photo sending sets, etc. Portable units must be brought by the cameramen.

We feel certain that you will thoroughly enjoy any assignment you have in Florida Field Press Box and sincerely hope that you will take every possible occasion to visit us when the Gators are playing at home—and when you just want to drop in for a chinfest.

# PLEASE NOTE

## WORKING PRESS TICKETS

Please make your request for working press tickets to Jimmy Gay, Sports Publicity Department, University of Florida, Gainesville. Office telephone: FR 6-3261, University Extension 687.

## PRESS BOX AND RADIO ACCOMMODATIONS

Florida's home games (5) are played in Gainesville and Jacksonville. They are:

### In Gainesville

Sept. 28 .....	Wake Forest
Oct. 19—(Homecoming) .....	Mississippi State
Oct. 26 .....	L.S.U.
Nov. 16 .....	Vanderbilt

### In Jacksonville

#### (Gator Bowl)

Nov. 9 .....	Georgia
--------------	---------

You are urged to make your request for space in the Press Box as early as possible.

## PHOTOGRAPHY ACCOMMODATIONS

Both in Gainesville and in Jacksonville, properly assigned photographers may work from either the sidelines or from the press box, or both. However, photographers working at either of these two places must be covering the game on assignment for the next day's paper. (This means it is impossible for us to extend photographic privileges to free lancers or the weekly press, because of over-crowded conditions.)

Because of the increased demands of the daily press, our Gainesville facilities have been expanded and we now have individual dark rooms available.

# PLEASE NOTE

## ON THE DAY OF THE GAME

When you arrive in Gainesville on the day of the game, you are invited to drop by the Sports Publicity Office, located in the southwest section of the new Florida Field Stadium Addition. We have typewriters, telephones, paper and other facilities. In using your press box ticket (for all decks, including movie) you will enter the elevator entrance, near the main gate on the west side of the Stadium. Enter the glass doors, show the attendant your press pass, and the elevator operator will escort you to the proper press deck. PLEASE WEAR YOUR PRESS BOX TICKET IN SIGHT (IT HAS A BUILT-IN BUTTON HOLE).

## ABOUT RADIO BROADCASTS

Out of state stations must notify the Athletic Association of the visiting team—(Wake Forest, Mississippi State, L.S.U., Georgia and Vanderbilt), and having done so must then advise Jimmy Gay, Sports Publicity Department, University of Florida, Gainesville, of their intention to broadcast. Stations should also accompany their request for broadcast space by an official letter designating them as the official broadcast representative of the visiting team.

For stations originating broadcasts at the Stadium, the Florida Sports Publicity Department will provide: (1) The broadcasting booth (or space, when booths are filled); (2) Three official game programs; (3) Official game statistics within a few minutes of the end of the half and again within a few minutes of the end of the game; (4) arrangements for the broadcasting telephone line to the stadium must be arranged with the telephone company or AT&T; and (5) a Florida spotter, provided you request one two weeks prior to the game and with the understanding that the station will pay the spotter \$10.00.

Spotters of the visiting team must be arranged through that team. Inquire to Jimmy Gay about other facilities.

## FLORIDA HOMECOMING

All year long the people of Florida talk about Homecoming at the University of Florida. Homecoming means two days of continuous activity, highlighted by the double-feature attractions—Friday night's Gator Growl and the Saturday afternoon football game. Both draw capacity crowds of 41,000.

The game this year is with a fellow member of the Southeastern Conference, Mississippi State, on Oct. 19.

Among other outstanding events are a parade of giant proportions, banquets, swim shows, alumni reunions, fraternity and sorority doings, and a Legislative Barbecue.

Back in 1906 the students decided to stage a "Dad's Day." Homecoming was the natural outgrowth of "Dad's Day" and in late years it has

become almost traditional for each one to surpass the last one.

Gator Growl, an all-student variety extravaganza that draws a packed house to Florida Field Stadium on the eve of the football game, came into the picture back in 1924. About 7,000 Dads and Grads gathered in the old gymnasium the night before the game to drum up the necessary enthusiasm to help the Gators defeat Drake University the next day, 10 to 0.

From that spontaneous gathering in 1924 has grown what is very likely the largest, most colorful and noisiest pep rally on the college sports scene today. A student committee of Florida Blue Key works a year ahead to set the theme. Fraternities and sororities plan their parts months in advance and spend months preparing interior and exterior house decorations, parade floats and skits for Gator Growl. No admission is charged for Gator Growl or other sidelights.

Almost everyone who comes to a Florida Homecoming finds himself torn between more desires than a kid at Coney Island. There is something going on every minute and all too often, for the visitors, colorful events overlap to make the choices more than a little difficult.

Sports editors and writers assigned to cover the Florida-Mississippi State football game on October 19 will be primarily interested in the football game, but those who want to be in on the unforgettable side-show attraction will be one of that huge, happy, fun-loving crowd of folks at Florida Field Stadium Friday night for Gator Growl, a brilliant evening's entertainment in anybody's book.

## "GATORS"

(From THE FLORIDA TIMES-UNION (Jacksonville), Thursday, August 19, 1948.)

### "MILLER RECALLS CHRISTENING OF UF TEAMS AS 'ALLIGATORS'"

"A Jacksonville lawyer 'christened' the University of Florida's football team 41 years ago when he gave a pennant-designing firm in Charlottesville, Va., the suggestion of 'The Alligators.'

"Austin Miller, who has practiced law here since shortly after his graduation from the University of Virginia in 1910, yesterday recalled the circumstances surrounding the choice of a name for Florida University's athletic teams. It happened in the fall of 1907, a year after the University at Gainesville had fielded its first team.

"Miller, a native of Gainesville, was enrolled in the University of Virginia at the time and was visited by his father, Phillip Miller, a Gainesville merchant. The elder Miller, who died nine years ago, then owned and operated a combination drug store and stationery store in Gainesville, a popular rendezvous for university students.

"While in Charlottesville the father decided to order some pennants and banners for the University of Florida from the Michie Company, which was engaged in the manufacture of such items. The Millers went to the firm, where they were shown samples of pennants which featured the Yale bulldog, the Princeton tiger and other school emblems. When the manager asked for Florida's emblem, the Millers realized the new school had none.

"Austin Miller said the name 'Alligators' occurred to him as a suitable emblem, both because the Michie manager said no other school had adopted it and because the alligator was native to this state. 'I had no idea it would stick, or even be popular with the student body,' Miller said. 'We wanted to get the Michie firm started on the pennants as quickly as possible, though, so they would be available in time for the opening of the 1908 school term.'

"The Michie manager complicated the 'christening' when he told young Miller he'd never seen an alligator and didn't believe he could design one. The law student volunteered to find a suitable picture of a 'gator. After much search, he said, he located a picture of one in the library of the University of Virginia.

"The first appearance of the alligator emblem, Miller recalled, was in his father's Gainesville store in 1908. The Michie firm had supplied 'Miller's' with blue banners measuring six by three feet, showing a large orange alligator, and also with several different types of smaller banners and pennants. Some of them showed the alligator lying down, some rampant, while others included only the alligator's head.

"With the first display of the new banners and pennants in Gainesville, the name 'Alligators' to describe the football team 'caught on' Miller recalled and, now contracted to 'Gator.'
